  63.20%

Skills

- 3D Modeling Autodesk Maya
- Unity Game Engine(Visual scripting)
- Substance Painter
- Adobe Photoshop
- Game Design
- Zbrush
- Game testing
- Unreal Engine

Projects

- **Breaching Shadows**
  In Progress
  While working at Dovelp Limited, I worked on the game 'Breaching Shadows'. It is a 2.5D puzzle action game where the player must navigate various levels as they slowly learn more about a secret organization plotting to take down the rich elite. I mainly worked on the modeling and texturing of the 3D assets required.

- **The Mind's End**
  While working at Dovelp Limited, I worked on the game 'Porject D'. It is a 2D Running Musical game available on Play Store with different level and different ability. I mainly worked on the modeling and texturing of the 3D assets, level implementation and Testing of the game.
